2024 Convention Project

FOOD INSECURITY IN SOUTH CAROLINA

“Let’s fill the small and rural food banks!”

October 16, 2023

I am pleased to present the SCCCW Fundraiser Project for the 2024 Convention. The Board of Directors has chosen to address **food insecurity** statewide. The six (6) participating deaneries will determine the food banks to receive the funds in their respective areas. Many children, seniors and families are confronted with having access to healthy food and food in general. I feel that it is our duty as children of God to confront this problem—we are our brothers’ keepers.

I encourage all affiliates to support this project by promoting it at your parishes, other catholic organizations, friends and family members.

Peace and Blessings,

Elease
